

Cinderellas Big Score

Sonic Youth

If I could give you anything
I would give you a kick
You'd rather have a dollar
Than a hug from your sis
You really fucked up this time
Your lady's really pissed
She's not just laughing
She's polishing her fist
If you could give me anything
Would you consider a fist?
Don't give me yourr soul
It's caught in this abyss
Here's a pack of ciggies
Fresh from the wonderlust
A dream, a wish, a heart's desires
Cinderella is a kiss
A cold is gonna take you
And freeze away your tears
Hold me closer honey
You can be so near
Mind your heart aside you
Really got no sense of time
Ninety-nine inside you
That I'm scared if you were cryin'
If I could give you anything
I would give you a kick
You'd rather have a dollar
Than a hug from your sis
A cold is gonna take you
And freeze away your tears
Come a little closer honey
We can be so near
