

Solution

Hillsong United

It is not a human right
To stand afar while broken nations dream
Open up our eyes, so blind
That we might find the mercy for the need Hey now
Fill our hearts with your compassion
Hey now
As we hold to our confession It is not too far a cry
Too much to try to help the least of these
Politicians should not decide if we should rise
And be your hands and feet Singing
Hey now
Fill our hearts with your compassion
Hey now
As we hold to our confession Whoa-oo-oh
God, be their solution
Whoa-oo-oh
We will be your hands and be your feet Yeah yeah Higher than our circumstance
You promise and your love for all to see
Higher than our protest lines and dollar signs
Your love is all we need Hey now
Fill our hearts with your compassion
Hey now
As we hold to our confession Whoa-oo-oh
God, be their solution
Whoa-oo-oh
We will be your hands and be your feet Whoa-oo-oh
God, be their solution
Whoa-oo-oh
We will be your hands and be your feet Whoa yeah Only you can mend the broken heart
And cause the blind to see
You erase complete the sinner's past
And set the captives free Only you can take the widow's cry
And cause the heart to see
Be the Father to the fatherless
Our Savior and our King We will be your hands
We will be your feet
We run this race for the least of these
In the darkest place we will be your light
We will be your light We will be your hands

We will be your feet
We run this race for the least of these
In the darkest place we will be your light
We will be your lightWhoa-oo-oh
God, be their solution
Whoa-oo-oh
We will be your hands and be your feetWhoa-oo-oh
God, be their solution
Whoa-oo-oh
We will be your hands and be your feetWe will
We will
God be the solutionWe will
We will
God be the solutionWe will be your hands
We will be your feet
We run this race for the least of these
In the darkest place we will be your light
We will be your light
