The Endless

Sinnergod

There's an endless road
That I walk along, an endless song
Will I ever make it home?There's a blackened sky
And it always seems to rain on me but I never ask it why?I don't think you care
Sit alone and watch the world out there
Rain your hate on me
All your life you'll always cease to beI can't find my way
All I need is a pill so I can fill the mess I made today
There's that darkened sky
And it always seems to rain on me but I never ask it why?I don't think you care
Sit alone and watch the world out there
Rain your hate on me
All your life you'll always cease to beThere's an endless road
That's taken my soul
Down the endless road
