Barnyard Boogie

Bruce Willis

Oink oink, moo moo
Oink oink, moo
Oink oink, moo mooQ-q-quack, q-q-quack
Peep peep, peep peep"Peep peep", said the chick in the barnyard pen
"Quack quack", said the duck, "Won't you let me in?"
"Cluck cluck cluck", said the little red hen
"Let's boogie in the barnyard""Baa baa", said the sheep from another bowl
"Moo moo", said the cow, "Let the butter roll"
"Cluck cluck cluck", said the little red hen
"Let's boogie in the barnyard"Yes, the barnyard was jumpin'
Everybody havin' their fling
Even Old MacDonald
Had to do a little kind o' swing"Bow wow", said the dog in the circus top
"Miaow", said the cat, "Now, please don't stop"
"Cluck cluck cluck", said the little red hen
"Let's boogie in the barnyard"Yes, even Uncle Ezra
Got caught with a dozen eggs
I saw Aunt Suzey
Kill the chicken with the bandy legBow wow, bow wow
Miaow, miaow
"Cluck cluck, cluck cluck", said the little red hen
"Let's boogie in the barnyard"Peep peep, quack quack
Cluck cluck, moo moo
Bow wow, miaow
