Club Kung Fu

Vanilla Ninja

What's up
Come on it's Friday evening
Can't wait to go to the party
I know a place where we all should go
Check out
Just around the corner
Best place can't be any cooler
Come along and enter to the party zone
No suburban angel
Been in lots of danger
Once even kicked Bruce Lee
Hey you, welcome to the party
Me and girls feeling kinda naughty
Dealing with hardcore fighting
Hangin' at the Club ?Kung-Fu?

Chill out, 'cos you're at the party
Me and girls already gettin' started
Dealing with hardcore fighting
Hangin' at the Club? Kung-Fu?
Zoom this
You'll always remember
What you see can't get any better
Hottest people ever seen in whole downtown
Hear that
DJ playin' a record
Best thing after Def Leppard
Jump up, we'll be rockin' up this place
No suburban angel
Been in lots of danger
Once even kicked Bruce Lee
Hey you, welcome to the party
