Outro

Trae

I used to love this song when I was growing up
With your heart and I'll hear every word you say
When you're crying, I will wipe your tears away
Just bring my love, I'll be there right away
I'm so glad to be here
I think I, everyday take this opportunity
Just be able to get up everyone and
We really take that for granted
He's blessed me with so many things
I wanna thank for family, friends
I thank you'll for listening
And let me pour my heart to you'll
I thank those who stuck by me
Through everything I went through
You'll don't know how much that means to me man
I appreciate it, I love you'll, just keep praying for me
I wanna thank my momma, my daddy
My brother Gevin, my grandparents, all my friends
Terrie Ross, Big Diamond, Dion Day Murphy
Chrisex, Capitol Records, what's up?
