## Kimber Rising

Verse 1: A boy and his dad standing at the tracks  
Tears in their eyes, saying their goodbyes  
"why you gotta go? i don't understand""i gotta fight a war, i gotta take a stand  
So listen to me now, don't be looking down  
You gotta stay strong, take care of your mom  
I promise you, it won't be long  
Before you know, i'll be coming home"chorus: Soon now, don't you blink  
Everything will be right faster than you think  
Soon now, there will be a day  
You won't be waiting anymore  
Hold on just a little bit longer  
Even though the longing in your heart gets stronger  
Soon now.. it's gonna be soon nowverse 2: On her mama's bed, hands on her head  
Talking 'bout the one that was more than a crush  
How he broke her heart, how he made her cry  
Their talk about forever turned out to be a lieMama said "baby, i've been there. i know what you're  
Feeling, i know that you're scared.  
I know at sixteen, it's so hard to see  
But you'll make it through, and love's gonna find youchorus: Soon now, don't you blink  
Everything will be right faster than you think  
Soon now, there will be a day  
You won't be waiting anymore  
Hold on just a little bit longer  
Even though the longing in your heart gets stronger  
Soon now.. it's gonna be soon nowbridge: All you gotta do is just look around  
The walls of the world are falling down  
So many people looking for a way  
To find a little hope, to make it through the day  
But don't lose heart in the dark dark night  
There's morning waiting on the other side  
When love's gonna say "devil go running"  
Lift up your eyes, 'cause jesus is coming!chorus: Soon now, don't you blink  
Everything will be right faster than you think  
Soon now, there will be a day  
You won't be waiting anymore  
Hold on just a little bit longer  
Even though the longing in your heart gets stronger  
Soon now.. it's gonna be soon now  
Soon now

It's gonna be soon now

Soon now

It's gonna be soon now
