Lies and Promises (BBC In Concert)

Kajagoogoo

Take a walk to a quieter place
And think of the thing I said would wait
I can see unconsciously
You promised me, you promised meYou come round here to throw a ploy
With silly lines, with silly toys
Little things for little minds
Amuse yourself in your spare time(BRIDGE)
Mmh wo oh oh
Mmh wo oh oh
Mmh wo oh oh
Mmh wo oh oh(CHORUS)
Your promises, your promises
Are your lies as good as your promises?
Your promises, your promises
Are your lies as good as your promises?'cause I believe in what you say
I have to be so led astray
But I will play the lovers fool
By loving you, by loving you(REPEAT CHORUS)
Your promises, your promises
Are your lies as good as your promises?
Your promises, your promises
Are your lies as good as your promises?(REPEAT CHORUS ALONG WITH BRIDGE TO FADE)
