# Tea for Two

## Blossom Dearie

I'm discontented
With homes that are rented
So I have invented my ownDarling this place is
A lover's oasis
Where life's weary chase is unknownFar from the cry of the city
Where flowers pretty
Caress the streamsCozy to hide in,
To live side by side in
Don't let it abide in my dreamsPicture me upon your knee
With tea for two, and two for tea
Me for you, and you for me
AloneNobody near us
To see us or hear us
No friends or relations
On weekend vacationsWe won't have it known
That we own
A telephoneDay will break
And you'll awake
And I will bake
A sugar cake
For you to take
For all the boys to seeWe will raise a family
A boy for you and a girl for me
Can't you see
How happy we would be
