

# Bom Bom Bom

## Living Things

We're gonna wake this city tonight  
Oh, watch it burn into the twilight  
I said hey, hey, hey this is our birthright  
To be bought and sold, shipped off ready to die, we're ready to fight We're going bom bom bom  
Bom bom away bom bom bom bom bom  
We go bom bom, bom bom away bom  
Bom bom, bom bom I can't drink or drive a tank at nineteen  
So I set off to join the U.S. Army  
The first time I left my country  
I felt the desert sand marchin' under my feet, come march with me We're going bom bom bom  
Bom bom away bom bom bom bom bom  
We go bom bom, bom bom away bom  
Bom bom, bom bom We're gonna take this city tonight  
We're gonna shake this city till broad daylight  
We're gonna take this city tonight  
We're gonna shake this city till broad daylight  
Shake it, oh, shake it I said, No NYC, Los Angeles  
No Saint Louis, no New Orleans  
No you and me, no you and me, no sympathy  
'Cause we're gonna bring them, bring them to their knees And we go bom bom bom  
Bom bom away bom bom bom bom bom  
We go bom bom  
Bom bom away bom bom bom bom bom We're gonna take this city tonight  
We're gonna shake this city till broad daylight  
We're gonna take this city tonight  
We're gonna shake this city till broad daylight Shake it, no brights lights, no more big city  
Shake it, no brights lights, no more big city  
Shake it, no brights lights, no more big city  
Shake it, no brights lights, no more big city
