Changing

The Moondoggies

Oh lord, I see the change again
I see the change again
But I don't feel like changing
But I don't feel like changing
And time, it keeps rolling in
It keeps rolling in
Yeah, my time keeps on changing
Yeah, my time keeps on changing
And where, where do I begin
I'm burned out again
Yeah, lord knows I need changing
Cause it's time I start changing
And I'm, I'm gonna let you in
It's time to let you in
Cause it's time I start changing
Yeah, it's time I start changing
But where, where do I begin
I'm burned out again
Well, I don't feel like changing
Yeah, I don't feel like changing
Oh I say I'm better off at home
Though I don't know why
Just feels right at this time
Yeah, it's time I start changing
But I don't feel like changing
Yeah, lord knows I need changing
Yeah, it's time I start changing
