

Do This

Silage

Doo doot, de doot, doo doot, de doo doot
Do your chores and don't complain about it
Doo doot, de doot, doo doot, de doo doot
Do your spelling before you play outside
Doo doot, de doot, doo doot, de doo doot
Do you have a sweatshirt on?
Doo doot, de doot, doo doot, de doo doot
Do you know what the weather's like?

Chorus:

I don't need your good advice
By myself, I'm quite alright
I can motivate myself
Complete my work, then to the shelf
And just when I think me, me, me, me
I trip over pride and i scrape my knee
Doo doot, de doot, doo doot, de doo doot
Do your laundry, study for the midterm
Doo doot, de doot, doo doot, de doo doot
Do your roommates have their share of rent?
Doo doot, de doot, doo doot, de doo doot
Do your credit cards charge a late fee?
Doo doot, de doot, doo doot, de doo doot
Do you have enough to cover them?

[Repeat Chorus]

Doo doot, de doot, doo doot, de doo doot
Do the kids have their lunches packed?
Doo doot, de doot, doo doot, de doo doot
Do the neighbors know to pick them up?
Doo doot, de doot, doo doot, de doo doot
Do you have a meeting tonight?
Doo doot, de doot, doo doot, de doo doot
Do you have the time to pick up milk?
Doo doot, de doot, doo doot, de doo doot
Do the grandkids need a birthday card?
Doo doot, de doot, doo doot, de doo doot
Do the marigolds need some water?
Doo doot, de doot, doo doot, de doo doot
Do you need a partner for the bridge game?
Doo doot, de doot, doo doot, de doo doot

Do you need to fill your prescription?

[Repeat Chorus]

And just when I think me, me, me, me

Just when I think me, me, me, me, me

Just when I think me, me, me, me, me

I trip over pride and I scrape my knee
