

# Let's Spend the Night Together

**Jerry Garcia**

My, my, my, my  
Don't you worry 'bout what's on your mind (oh my)  
I'm in no hurry I can take my time (oh my)  
I'm going red and my tongue's getting tied (tongues' getting tied)  
I'm off my head and my mouth's getting dry.  
I'm high, but I try, try, try (oh my)  
Let's spend the night together  
Now I need you more than ever  
Let's spend the night together now I feel so strong that I can't disguise (oh my)  
Let's spend the night together  
But I just can't apologize (oh no)  
Let's spend the night together  
Don't hang me up and don't let me down (don't let me down)  
We could have fun just groovin' around around and around  
Oh my, my  
Let's spend the night together  
Now I need you more than ever  
Let's spend the night together Let's spend the night together  
Now I need you more than ever You know I'm smiling baby  
You need some guiding baby  
I'm just deciding baby; now-  
I need you more than ever  
Let's spend the night together  
Let's spend the night together now
