

# Shylock

## Aechoes

Shylock

A penny to a pound to a piece of flesh  
You've put yourself in debt  
I just won't take no less  
I'm a money lending miser  
A usurer and thief  
If you don't pay what you owe me  
You won't get no relief Oh Shylock, oh Shylock  
Oh Shylock, oh Shylock  
Pay me now, pay me now Your daughter's gone and left you  
She's married to a tramp  
Your mother's still in jail  
Your father's turning camp  
You ain't got no excuses  
I won't take no I.O.U.  
If you don't soon pay me  
I'm gonna have to sue Oh Shylock, oh Shylock  
Oh Shylock, oh Shylock  
Pay me now, pay me now
