

# Boys' Night Out

## Sammy Hagar

I'm sorry baby  
If my mood's been changin'  
But my social life  
Needs some rearrangin', yeah  
Well, I got nothin'  
Against my ole lady  
But every now and then  
A man's gotta get out and get crazy  
I need a boys' night out  
That's all baby  
Boys' night out  
We'll do some drinkin'  
Maybe hurt ourselves real bad  
I guarantee the best time  
That we ever had  
So don't stay up  
'Cause I'll be out all night  
And don't you try to see me  
'Cause I'll be outta sight  
One more boys' night out, yeah  
Boys' night out, come on  
Boys' night out  
Now, what do you say fellas, one more  
Boys' night out, that's all baby  
Boys' night out  
I'll do my best  
To stay outta jail  
Because my ole lady  
She never gonna go my bail  
I hope that Eddie doesn't  
Start another fight  
'Cause we get too high  
You know baby, we just might  
I need help  
Boys' night out  
Oh, it's comin' up on me, baby  
Boys' night out  
One more, boys' night out  
Boys' night out

Boys' night out  
Boys' night out  
[Incomprehensible]Boys' night out  
That's all
