It's My Life

[The Charlie Daniels Band](#)

It's my life, God was the one to give it
And I ain't gonna let nobody tell me how to live it
It's my song, right or wrong
You tag along or you can stay behindThey're my troubles
Don't you let them worry you none
'Cause when I signed on to be a man
I, I knew I was gonna have someLike I say, go or stay either way
You ain't gonna change my life
You ain't gonna change my lifeWhen I'm low down and I'm lazy
And I'm ragged but I'm real
And I ain't never been nobody's pride and joy
Yeah and you can take a boy out of the country
But you can't take the country out of the boyWell, it's my troubles
Now don't you let them worry you none
'Cause I signed on to be a man
I figured I was gonna have someLike I say, go or stay either way
You ain't gonna change my life
You ain't gonna change my lifeIt's my song, right or wrong
You ain't gonna change my life
I said, it's my life
You ain't gonna change my life, oh no
