

# Paper Mache, Cabbages & Kings

## Bee Gees

Na na na na na na na na na Paper mache and telegraph poles things go dead in the night

Make enough noise to make enough noise

Makes you want to jump with fright Elephant's tusks and autograph books, people you don't meet  
Haven't got a bed to lay my head, shoes to fit my feet Don't be scared, you're better off than nothing  
You're answering to no one, paper mache Paper mache and telegraph poles, things go dead in the night

Make enough noise to make enough noise

To make you want to jump with fright Elephant's tusks and autograph books, people you don't meet  
Haven't got a bed to lay my head, shoes to fit my feet Don't be scared, you're better off than nothing

You're answering to no one, paper mache All of a sudden it happened

When you did what you said you'd do

And you broke my heart in two, like paper mache All of a sudden it happened, oh, you came into my life

Like paper mache you broke my heart

Like paper mache, paper mache, like paper mache Paper mache and telegraph poles, things go dead in the night

Make enough noise to make enough noise

Makes you wanna jump with fright Elephant's tusks and autograph books, people you don't meet

La Jimmy had a bomb and the bomb went bang

Jimmy was everywhere

Jimmy had a bomb and the bomb went bang

Jimmy was everywhere Jimmy had a bomb and the bomb went bang

Jimmy was everywhere

Jimmy had a bomb and the bomb went bang

Jimmy was everywhere Jimmy had a bomb and the bomb went bang

Jimmy was everywhere

Jimmy had a bomb and the bomb went bang

Jimmy was everywhere Jimmy had a bomb and the bomb went bang

Jimmy was everywhere

La la
