Futuristic Casket

Phantogram

I must have died
a thousand times
when I get out
I'll rule the earthI saw your face in a past life
I'm ready to move on
In a futuristic casket
and you're still aliveto work it out
I'll dig a hole
to crawl inside
and make my home
I saw your face in a film tonight
I wanted to touch the screen
I'll never be cruel again
I saw your face in a past life
I'm ready to move on
in a futuristic casket
I saw your face in a film tonight
I wanted to touch the screen
I'll never be cruel again
