Jah Jehovah

Haywhy De Rhymer

JAH JEHOVAH
Chrs: who is greater than Jehovah lord divine oh
There is no one greater than Jehovah Lord divine 2 times.
Kabiyesi oh, Jah Jehovah baba mi agbalagba to n padan bi idan in London, the Almighty father that can make you a don in Ibadan, the Alaafin of Canaan land His Royal Majesty to the Queen of England. Other king are replaceable, yet He remains UNCHANGEABLE, Oba ta o fi joye tenikan ko le ro loye. He is the great Yahweh that can make a way when it seems to be no way in Norway. The Almighty Father that can break any yoke in New York. And terminate any chronic pneumonia in California. Oba ti n se gudugudu meje ninu ibu, He can conquer any adversary with his heavenly army in Miami. Ayokunle, Iâ€™m talking about the great messiah that can terminate every bacteria that causes malaria in Nigeria. Gbanigbani ti a n saba, gbagbani ti a n saki, the only one that can deliver those who trust in him from any unwanted task and tax in texas. His power can terminate any migrane in ukrane, and put an end to every sevre pain in spain, remember he rains beyond Aisia and Malaysia, His power is above every prince of Persia in Russia. So, I know He can show you ona Abuja in Abuja, God the father that can take you further irrespective of any god father, He is the lion of the tribe of Judah. He can make you flourish in florida, the tru god that can grant you breakthrough irrespective of what you are going through because His word is ever true. He that lifted Obama irrespective of osama, meaning He can set your feet on a higher position regardless of the opposition. The Lord my guide that has no bodyguard. He needs no pounded yam to remain I AM THAT I AM. Jah Jehovah that is taller than the tallest, deeper than the deepest even fatter than the fattest. Incomparable God that remain unbeatable, Ayokunle join me to sing His praise oh jare.
Beeni o fe o ga o jin baba mi, Jah Jehovah baba mi to fe torun ati aye o gba baba, then Ayokunle permit me to call Him Jehovah orogbocious, my God that sits in heaven and make the earth his footstool. Jah Jehovah that is called God by Himself that has no comparison, remember, He is never a vice nor needed advice from any vice. That is why I call him the owibesebe of the universe. The Son of th virgin Mary who has a great followership in Maryland. He doesnâ€™t use GSM, TWITTER, OR FACEBOOK, yet billions of people call Him, follow Him and seek his face daily in his book. When you put your trust in Him, you will never be disappointed in Him. Because His faithfulness is greater than your weakness, that is why I know he will ever consider you in his CALENDER in CANADA. And grant you divine increase in Greece, He would pour out His blessing on you never to go poor in Singapore, and never allow you to hungry in Hungary, the secret of wealth He will reveal to you in a trace in France, and never will you suffer any loss in LOS ANGELES. He will supply your needs like prince of SALEM in Jerusalem, and bless you with enough dollars to spend in Dallas. Good things He will bless you with money to buy in Dubai. And never allow your goods to enter a wrong cargo in Chicago. With Him your life will never be jammed in Germany. Never will you have sio in ohaiso. He that Paul talked about in Colossians will never allow you to go kolo (mad) in Colombia. He will make your face to shine in china, and never will you be a victim of jibiti (theft) in Egypt. He will deliver you from every mess in Mexico. And never allow you to be wrongly judged in Georgia. He will direct your feet with His lantern in Atlanta. And no evil will rope you in Europe. He will bless you with a DIVA in GENEVA. And make you more attractive than geneive and Jenifer, in you matter no yawa go gas in LAS VEGAS. But no matter the matter you will always matter. For I know who I believe, JEHOVAH HELL-SHADIE, JEHOVAH HELL-SALL BOW, JEHOVAH HELL SHALL NOT STAND. Outside Him every other ground is sinking sand.

Beeni, on Christ the solid rock I stand, the solid rock that is being worshipped in experience by house on the rock. Rock of ages that is more dependable than Aso rock. No wonder His white throne is more exalted far above the white house. The begging and the end who has no end nor beginning. The only one that knows every atom in you molecule that can turn your obstacles to miracle. The GREAT ORACLE that David highly exalted and article in the book of chronicles. The almighty father that sit on the throne and there is none beside Him. JAH JEHOVAH that doesnâ€™t change but every situation can change by Him. Peter denied Him, Judas betrayed Him, soldiers crucified Him but yet Grave could not keep Him. No wonder Angels bow before him, heaven and earth adore him, even the twenty- four(24) elders in Heaven casting down their Golden crowns before Him, because all HONOUR, GLORY AND ADORATION BELONGS TO HIM. Why not join me to sing a song of adoration to Him.
