

Freedom

Clean

[Muir, Paul, Pleasants, Clark]Peace through politics - is a fallacy that does not exist
Freedom, Freedom,
Freedom, Freedom

Where's your freedom? We got your freedom
Get your freedom, I got your freedom

Truth is hard sell but I know what goes over well
exceptionally

Lies and cheap and free so the profit margin works
Where's your freedom I got your freedom
Get your
freedom we got your freedom
