My Love

Selena

My love, don't throw away my love
You are to me my greatest fantasy
Night after night, I want for you to hold me tight
I want to be with you
You could make my dream come true
Only you can make my heart and soul brand new
My love, don't throw away my love
My love, we could have an everlasting love, think about it
I want to be all that you want me to be
Why can't you see just how much you mean to me?
I want to be with you, you could make my dream come true
Only you can make my heart and soul brand new
My love, don't throw away my love
My love, we could have an everlasting love
