

# Save It For Later

Harvey Danger

Advisory - the following lyrics contain explicit language:

Save it for later  
Two dozen other dirty lovers  
Must be a sucker for it  
Cry, cry but I don't need my mother  
Just hold my hand while I come  
To a decision on this  
Sooner or later your legs give way and hit the ground  
Save it for later don't run away and let me down  
Sooner or later ya hit the deck, you'll get found out  
Save it for later, don't run away, run away and let me down  
Don't run away, run away and let me down  
Don't run away, run away  
Black Aaron seven sea's a rotten fruit  
But what can you do?  
I don't know how I meant to act with all you lot  
Sometimes I don't try I just da, da, da  
Da, da, da, da, da, da  
Sooner or later your legs give way and hit the ground  
Save it for later don't run away and let me down  
Sooner or later ya hit the deck, you'll get found out  
Save it for later don't run away, run away and let me down  
Don't run away, run away and let me down  
Don't run away, run away  
Two dozen other stupid reasons  
Why we should suffer for this  
Don't bother trying to explain them  
Just hold my hand while I come  
To a decision on it  
Sooner or later your legs give way and hit the ground  
Save it for later don't run away and let me down  
Sooner or later ya hit the deck, you'll get found out  
Save it for later don't run away, run away and let me down  
Don't run away, run away and let me down  
Don't run away, run away, run away, run away  
Run away, run away, run away  
Save it for later  
Save it for later  
Save it for later  
...
