

# Pale Reflection

## Circle of Dust

"It's not an easy thing to meet your maker.

What can he do for you?

Can the maker repair me?

Would you like to be modified?

I had in mind something a little more adequate.

What seems to be the problem?

Death. Death? Well, I'm afraid

that's a little out of my jurisdiction you...

I want more life""It's too bad she won't live,

but then again, who does?""What about the question of nuclear weapons .... we are testing""A new hope for  
humanity...a new world"
