

Her Name is Alice

Shinedown

(If I had a world of my own, everything will be nonsense)
(Nothing will be what it is, because everything will be what it isn't) I invite you to a world where there is no
such thing as time
And every creature learns themselves to change your state of mind
And the girl that chase the rabbit drank the wine and took the pill
Has locked herself in limbo to see how it truly feels To stand outside your virtue
No one can ever hurt you
Or so they say Her name is Alice (Alice)
She crawls into the window
Shaped in shadows
Alice (Alice)
And even though she is dreaming, she knows Sometimes the curiosity can kill the soul but leave the pain
And every ounce of innocence is left inside her brain
And through the looking glass we see she's thankfully returned
But now off with her head I fear is everyone's concern You see there's no real ending
It's only the beginning
Come out and play Her name is Alice (Alice)
She crawls into to the window
Shapes in shadows
Alice (Alice)
And even though she is dreaming
She's a locked for meaning for you
This kingdom good riddance good freedom and innocence
Has brought this whole thing down Her name is Alice (Alice)
She crawls into to the window
Shapes in shadows
Alice (Alice)
And even though she is dreaming
She's a locked for meaning She's a locked for meaning for you (In contrary wise, what it is it wouldn't be)
(And what it wouldn't be it would)
(You see?)
