

Nothing But My Baby

Alphabeat

I would sink,
I would go down down down,
Bleak like a brick with a leak,
But on this sea,
You reach out for me,
You take me up,
You take me up.

Baby you're the mountain,
That no one can shake,
I'm on top,
Brittle as a cornflake,
If you leave me,
I'd fall from the mountain to the sea,
You take me up,
You take me up.

I'm nothing but my baby,
Ooh ooh, ooh ooh,
I'm nothing but my baby,
Ooh ooh, ooh ooh,
I'm nothing but my baby,
Ooh ooh, ooh ooh,
I'm nothing but my baby,
Ooh ooh, ooh ooh.

Come on baby, sway away,
Ya-ya-ya-ya,
Come on baby, sway away,
Ya-ya-ya,
You build shelters for me,
On the foggy, foggy sea,
You take me up,
You take me up.

I'm nothing but my baby,
Ooh ooh, ooh ooh,
I'm nothing but my baby,
Ooh ooh, ooh ooh,
I'm nothing but my baby,

Ooh ooh, ooh ooh,
I'm nothing but my baby,
Ooh ooh, ooh ooh,
I'm nothing but my baby,
Ooh ooh, ooh ooh,
I'm nothing but my baby,
Ooh ooh, ooh ooh,
I'm nothing but my baby,
Ooh ooh, ooh ooh,
I'm nothing but my baby,
Ooh ooh, ooh ooh.
