In My Room

Albert Hammond, Jr.

What's the use of all this talking
I can hear you as you walk away
Your in my room
That's where I'll be
In my roomAfter all you're so excited
By all the (?) you get invited to
But now I know you mustn't change
I won't go back
'Cause you don't want me[Chorus]
I miss you already
I miss you already
You see, it all got so heavy
I miss you alreadyI'm so afraid
That I wake up
All alone with the door shut
In my room
There's where I'll be
In my room
She's in my room
