Howling

Sator

Howling, how long?
Sounding, so calm
Pounding, so strong
Foundin', so wrongHowling
(Howling)
How long?
(How long?)Strolling, so long
Lollin', some song
Firin', a gun
Darkness, has comeHowling
(Howling)
How long?
(How long?)Hangin', up high
Swing in the sky
Cacti, still cry
Why do we try?Howling
(Howling)
How long?
(How long?)Howling
(Howling)
How long?
(How long?)Howling
(Howling)
How long?
(How long?)Howling
(Howling)
How long?
(How long?)
