

Autograph

John Denver

Here I am closing my eyes again
Tryin' so hard not to see all the things that I see
Almost willing to lie again
I swear that it just isn't so, it just isn't me
We are never alone, even though we'd like to be
Then I go and open my eyes again
Love in your eyes is the thing that I'd most like to see
I'd be willing to die again
to know of a place and a time that it always will be
Chorus: This is my autograph
Here in the songs that I sing
Here in My cry and my laugh
Here in the love that I bring
To be always with you
And you always with me
Say a prayer and open your heart again
you are the ove and the light that we all need to see
always willin' to shine and then
Peace on this Earth is the way that it always can be
Chorus
