

Kodachrome

Anchor & Braille

Somewhere, in the back of your mind you'll remember
Dragonfly on the empty road broken signal
Someday when the water is warm you're forgotten
Dead and stone, flesh and bone, until thenAll you really have are your memories
All you really have are your memories
And this could be your last
Kodachrome, overexposed no more mysteries
Borderplace, no consequenceAll you really have are your memories
All you really have are your memories
And this could be your lastSecret life, the patience right, you're the killer
Turn over, turn it over it all, that it's the
