You Were My Home

Jjamz

When you left I was broken
Couldn't even fathom
How I could go on
With my life

Now the cycle continues
I'm the one with secrets
Covering your lies every time
Dying inside

You will be back
I should've known
We got off the track
Now I'm alone
You were my home
Woah, oh, oh, oh

Now my world is on fire
Helicopter circle
I'm just in a daze
And I know

And discontent in the good way
Breaking point's approaching
Neighbourhoods ablaze
All aglow
When will it blow

You will be back
I should've known
We got off the track
Now I'm alone
You were my home

Now I'm alone
Just take me home
Woah, oh, oh, oh

Looking for someone to distract
Me from my mission, my life

I can't go on
I know what I've done
Just let this be gone
Don't care if I won
I'm just not like you guys
I can't live this with this scar
Let this be gone
Let this be done

You will be back
I should've known
We got off the track
Now I'm alone
You were my home,
Woah, oh, oh, oh

You will be back
I should've known
We got off the track
Now I'm alone

Just leave me alone
Woah, oh, oh, oh
Just leave me alone
Woah, oh, oh
Oh oh oh
