It's Always Somethin'

Joe Diffie

Downtown, stoplight, red car rolls by, what else can I do
But wonder if it's you
Scanning the stations, every song they're playin' is like a soundtrack
To the love we hadI should be over you by now
But every time I turn aroundIt's always somethin', every day remindin' me
Everywhere I go, there's a memory
Ready and awaitin' to catch me off guard
There's no way to prepare my heartWhat I wouldn't give, what I wouldn't do
If only I could just stop missin' you
I'd let go of our love, like it was never nothing
But it's always somethingLunch time, a new place, waitress says her name
Why does it have to be, Emily?
Corner store, stop in, someone ask, "How you been?"
I say, I wouldn't know, I really gotta goWish I could forget you, but I don't know how
'Cause every time I turn aroundIt's always somethin' every day remindin' me
Everywhere I go, there's a memory
Ready and awaitin' to catch me off guard
There's no way to prepare my heartWhat I wouldn't give, what I wouldn't do
If only I could just stop missin' you
I'd let go of our love, like it was never nothing
But it's alwaysSomethin' every day remindin' me
Everywhere I go, there's a memory
Ready and awaitin' to catch me off guard
There's no way to prepare my heartWhat I wouldn't give, what I wouldn't do
If only I could just stop missin' you
I'd let go of our love, like it was never nothing
But it's always somethingIt's always something
Oh, it's always something
It's always something
