Billy Crawford

Intro

First round like a concert
Baby tryin work got you up in my after party
From the bed down to the floor
Baby let me know got you up in my after partyverse 1

Top down, Hot sound
Cruisin' out on ocean drive
Crew is chillin' by my side
Sexy ladies passin' byVerse 2

Cross walk, trash talk
Peepin' at the billboard sign
Model chick that looks so fine
Wish that I could make her minebe sec
And just when I thought it's impossible

To find a girl like that
There she goes...ohChorus
Straight from the magazine
Finest girl I've seen
Suddenly I heard all my friends say
She's way out of my league
But she's the one for me
So I can't let her walk away...noVerse 3

Tell me shorty
Where have you been all my life?
I see the sparkle in your eyes
Girl how can I make you mine?Verse 4

My friends say no way
To get with you
Cause I don't have the game
To be parked in your lane
Those dreams don't come truebe sec
Just when they thought it's impossible

To get a girl like you,
I'm in the zone...ohChorus
Straight from the magazine
Finest girl I've seen
Suddenly I heard all my friends say
She's way out of my league
But she's the one for me

So I can't let her walk away...noBridge
This is meant to be
Not a fantasy
That I could have someone
Like you...like you...babe
Tell me if it's oh so real
Someone else will take the wheel
We can go set this off...ohFirst round like a concert
