

# The Swan

## Barbra Streisand

What are ya gonna do?  
Shoot the swans?  
These lovelies? Can't you see when you look on me  
What a lovely creature is a swan  
Yo ho I'm all over fluffy white  
I wouldn't peck at you or bite  
And have tiny twinkle toes to dance upon Oh, was that good? So you just gotta have a swan  
Or you're out of luck  
'Cause a chicken wouldn't do  
It would only cluck And besides you couldn't say  
"I saw a Chicken Lake ballet"  
They would think you don't know nothin'  
You are missing yer button  
'Cause a chicken's only good for consummate Where upon, where upon  
Where upon, where upon  
A chicken or a duck is a mistake  
When you do 'Swan Lake'
