

Is Pal Mein

Penn Masala

CHORUS

Is pal mein yahaan, hum rahengey sadaa
Ya ban jayengey hum aur tum, koi afsana?

Khwaab hai yey, kahin tootey na

Is meethi neend se mujhey, na jagaana

I can't remember when the sirens were clear

When the dust on your smile, had erased all the tears

Broken promises and old memories

And the sound of your voice every time I sleep

Cause when I close my eyes

I can hear your haunting lullaby and

The echoes fill my mind

As silence fades inside

With visions of your face

I can feel my heart begin to race

The melody's inside of me

I hear her in my dreams

The arrows of your words fell straight through my heart

But the pain that I feel has been there from the start

Now it seems to me that I know the truth

That the love in my heart will be aside from you

Sab sun liya mainey

Sab bol liya mainey

Kehna baaki hai kya?

Ab thaan liya mainey

Samajh liya mainey

Dekhni rehti hai saari duniyan

Phool jo diye and aur woh chitthiyan

In khaton ki mehek mein khogayi, saari khushiyan

Khoj rahey they, woh to na paaya

Jaaney kab aa gayi humary beech, yey dooriyan
