Gave It Away

Fit for Rivals

(Oh oh oh, oh
Oh oh oh, oh)
The boys are mad, just ran
To find it's way around
I've heard you're on the lips of everyone in town
But there ain't no consequence
No matter what you do
'Cause there's always someone there
To make it seem "all right"
You're all alone, the lights are off
Well, you don't know you're all used up
Run, run, run, cause you're empty inside
You got to use your mind, don't lose yourself tonight
The way your moves gonna, oh, so impress!
With the shades going down
You're unbuttoning your dress...
You gave it away, you gave it away
Oh oh oh... oh oh oh
I go hide to sleep
You'll surely fade away
The wind, the sunset
And contemplate this day
But there ain't no consequence
No matter what you do
'Cause your daddy pays the bills
When you've... then it's alright!
You're all alone, the lights are off
Well, you don't konw you're all usep up
Run, run, run, cause you're empty inside
You got to use your mind, don't lose yourself tonight
The way your moves gonna, oh, so impress!
With the shades going down
You're unbuttoning your dress
You gave it away, you gave it away
Oh oh oh... oh oh oh
The same mistakes!
You know, you'll never gonna mend
You like to play a game
"Caught up" in the "pretend"

You better run, run, run
And be somebody
Don't you meet at two with somebody?
To me you are anybody, no more...
no more!!
You gave it away, you gave you away...
Run, run, run, cause you're empty inside
You got to use your mind, don't lose yourself tonight
The way your moves gonna, oh, so impress!
With the shades going down
You're unbuttoning your dress
You gave it away, you gave it away
Oh oh oh... oh oh oh
