

# Waiting

## Ought

I don't even know what to say  
I don't even know what to say  
What went when and why and how  
Did you get the notion now that  
Year after year we put a quarter in the wall  
What's that now? We fell in lineWell how long you been waiting?  
How long you been waiting?  
How long you been waiting now?  
Saying I am ashamed  
I am ashamed  
I am ashamed of her  
How long I been waiting?  
How long I been waiting?  
How long I been waiting now?I don't even know what to call it anymore  
I don't even know what to call it anymore  
No we don't even know what to call it anymore  
No we don't even know what to call it anymoreYear after year  
We sit in the shade  
Saying nothing's fine, nothing's alive  
What's that now? Growing underneath youHow long you been waiting?  
How long you been waiting?  
How long you been waiting now?  
Saying I am ashamed  
I am ashamed  
I am ashamed of her  
How long I been waiting?  
How long I been waiting now?What's the difference anyhow?  
Yeah, why act now? What's the difference now?Whatever it was, you're born and you're holy now  
Whatever it was, you're born and you're holy now  
Whatever was, looks like a waiting room  
Whatever it was, we fell in lineYeah, how long you been waiting?  
How long you been waiting?  
How long you been waiting now?  
Saying I am ashamed  
I am ashamed  
I am ashamed of her  
How long I been waiting?  
How long I been waiting?  
How long I been waiting now?Take me in, hold me now

What's that now? What's the difference now?  
We fell in lineWell how long you been waiting?  
    How long you been waiting?  
    How long you been waiting now?  
    Saying I am ashamed  
        I am ashamed  
        I am ashamed of her  
        Long I been waiting  
Long I been waitingWanted the sun, wanted in the sun  
    Yeah, watching on a ladder, watching on a ladder  
Wanted the sun, what can happen now?Wanted in the street, wanted in the street  
    Standing in the street, kissing up on it  
Well I threw out my wallet, threw out my phone  
    Yeah, what's that now?  
What's the difference now, huh?How long I been waiting?  
    How long I been waiting?  
    How long I been waiting now?  
    Saying I am ashamed  
        I am ashamed  
I am ashamed of herWell why then did you laugh?  
    What's the difference now?  
    What do I say?  
    Whats the difference now?
