Tattooed On My Mind

Sitti

Maybe you'll soon forget about all
Or maybe you'll miss it like I do
One thing's for sure, I'm all knocked out
I spend too much time thinking of youAnd I can't get you out of my dreams
Now I know that you're the dangerous kind
And your smile is tattooed on my mind
And I can't get you out of my dreamsI don't wanna write
I don't wanna call
I would not know what to say
It should be you
That's how I want it to be
Tel me you feel the same way
And I can't get you out of my dreams
Now I know that you're the dangerous kind
And your smile is tattooed on my mind
And I can't get you out of my dreamsOh yesterday I was feeling safe
All I do today is try to be brave
And no melody can seem to soothe my mind
Now I curse you for being so sweet and so kind
And I can't get you out of my dreams
Now I know that you're the dangerous kind
And your face is tattooed on my mind
And I can't get you out of my dreamsYes I know you're tattooed
On my mind you're tattooed
