

# I Believe In You (Single Version)

[Don Williams](#)

I don't believe in superstars  
Organic food and foreign cars  
I don't believe the price of gold  
The certainty of growing old That right is right and left is wrong  
That north and south can't get along  
That east is east and west is west  
And being first is always best But I believe in love  
I believe in babies  
I believe in Mom and Dad  
And I believe in you Well, I don't believe that heaven waits  
For only those who congregate  
I like to think of God as love  
He's down below, he's up above He's watching people everywhere  
He knows who does and doesn't care  
And I'm an ordinary man  
Sometimes I wonder who I am But I believe in love  
I believe in music  
I believe in magic  
And I believe in you I know with all my certainty  
What's goin' on with you and me  
Is a good thing  
It's true, I believe in you I don't believe virginity  
Is as common as it used to be  
In working days and sleeping nights  
That black is black and white is white That Superman and Robin Hood  
Are still alive in Hollywood  
That gasoline's in short supply  
The rising cost of getting by But I believe in love  
I believe in old folks  
I believe in children  
I believe in you I believe in love  
I believe in babies  
I believe in Mom and Dad  
And I believe in you
