High Alert (Feat. Sara Hartman)

Netsky

I'd waste through the night, run all the lights. To be by your side. Break down doors, smash through walls
To be by your side
All you have to do is say that you need me
I'll be by your side
Doesn't matter how far, I'll get to you
I'll be by your sideSend up a flame anytime you're scared,
I'll be by your side
Draw it in the sand, I'll hold up your head
I'll be by your side
All you have to do is say that you need me
I'll be by your side
Doesn't matter how far, I'll get to you
I'll be by your side
So, don't be scared, I'm always on High Alert
I'm always on High Alert and I got you, I got you
Don't be scared, I'm always on High Alert
I'm always on High Alert and I got you, I got youI jumped from space, fall from grace
To be by your side
If the engine's fail, I swim through the night
To be by your side
All you have to do is say that you need me
I'll be by your side
Doesn't matter how far, I'll get to you
I'll be by your sideSo, don't be scared, I'm always on High Alert
I'm always on High Alert and I got you, I got you
Don't be scared, I'm always on High Alert
I'm always on High Alert and I got you, I got you
Don't be scared, no
Don't be scared, no
Don't be scared, no
Don't be scared, no
Don't be scared, no
Don't be scared, no
Don't be scared, no
Don't be scared, noSo, don't be scared, I'm always on High Alert
I'm always on High Alert and I got you, I got you
Don't be scared, I'm always on High Alert
I'm always on High Alert and I got you, I got you
