

# You Can't Bring Me Down

## Suicidal Tendencies

What the hell's going on around here? First off, let's take it from the start

Straight out, can't change what's in my heart

No one, can tear my beliefs apart

You can't bring me You ain't, never seen no one like me

Prevail, regardless what the cost might be

Power flows inside of me

You can't bring me Never, fall as long as I try

Refuse, to be a part of your lie

Even, if it means I die

You can't bring me You can't bring me down Who the hell you calling crazy?

You wouldn't know what crazy was

If Charles Manson was eating fruit loops

On your front porch Time out, let's get something clear

I speak, more truth than you want to hear

Scapegoat, to cover up your fear

You can't bring me You ain't, never seen so much might

Fight for, what I know is right

What up, you got yourself a fight

You can't bring me Stand up, we'll all sing along

Together, ain't nothin' as strong

Won't quit, we ain't in the wrong

You can't bring me You can't bring me down Bring me down, you can't bring me down

Bring me down, you can't bring me down, no

Bring me down, you can't bring me down

Bring me down, you can't bring me down

You can't bring me down Tell them what's up Rocky You can't bring me down Bring me down, you can't bring

me down

Bring me down, you can't bring me down, no

Bring me down, you can't bring me down

Bring me down, you can't bring me down

You can't bring me down So why you trying to bring me?

Well, you can't bring me down, no, no, no, no

Can't bring me down, no, no, no, no, no, no

Can't bring me down, no, no, no, no, no, no

Can't bring me down, no, no, no, no, no, no

So why you trying to bring?

When you can't bring me down Just 'cause you don't understand what's going on

Don't mean it don't make no sense

And just 'cause you don't like it

Don't mean it ain't no good and let me tell you something  
Before you go taking a walk in my world

You better take a look at the real world

'Cause this ain't no

Mister Roger's Neighborhood  
Can you say, "Feel like shit?"

Yea maybe sometimes I do feel like shit

I ain't happy 'bout it, but I'd rather feel like

Shit than be full of shit  
And if I offended you, oh I'm sorry

But maybe you need to be offended

But here's my apology

And one more thing, fuck you  
'Cause you can't bring me down  
Bring me down, you can't bring me down

Bring me down, you can't bring me down, no

Bring me down, you can't bring me down

Bring me down, you can't bring me down  
Bring me down, you can't bring me down, no

Bring me down, you can't bring me down

Bring me down, you can't bring me down, no

Bring me down, you can't bring me down

You can't bring me down  
Can't bring me down

Can't bring me down

Can't bring me down
