

# Tennessee Whiskey

## A Thousand Horses

She left me right outside El Paso  
Leavin scottsdale from a show  
She said our lives are just to crazy  
With us both out on the roadIm wonderin what shes doin now  
With her friends out on the town  
Is she wonderin how im makin out  
With every drink I wash her down  
Tennessee whiskey tell me did ya miss me  
She broke my heart when she left me  
And now I need you to protect meSweet Tennessee whiskey ya ya ya  
Sweet Tennessee whiskey ya yeahBy the time we got to Austin  
I was damn near insane  
I hadnt heard from her in three days  
I kept waitin' on that phone to ringIm wonderin what shes doin now  
With her friends out on the town  
Is she wonderin how im makin out  
With every drink I wash her down  
Tennessee whiskey tell me did ya miss me  
She broke my heart when she left me  
And now I need you to protect meSweet Tennessee whiskey ya ya ya  
Sweet Tennessee whiskey ya yeahMaking a double of my bottle of rum  
Feelin' lonely in this crazy crowd  
Forget the memories,  
Try and make my peace and get up off the groundSweet Tennessee whiskey, tell me did ya miss me  
She broke my heart when she left me  
And now I need you to protect meSweet Tennessee whiskey  
Tell me did ya miss me  
She broke my heart when she left me  
And now I need you to protect meSweet Tennessee whiskey ya ya yeah  
Sweet Tennessee whiskey ya ya yeahI cant say its the ending  
'Cause ill see her when I get home
