## The Cure

On candy stripe legs the Spiderman comes  
Softly through the shadow of the evening sun  
Stealing past the windows of the blissfully dead  
Looking for the victim shivering in bed  
Searching out fear in the gathering gloom and  
Suddenly  
A movement in the corner of the room  
And there is nothing I can do  
When I realize with fright  
That the Spiderman is having me for dinner tonight  
Quietly he laughs and shaking his head  
Creeps closer now  
Closer to the foot of the bed  
And softer than shadow and quicker than flies  
His arms are all around me and his tongue in my eyes  
Be still be calm be quiet now my precious boy  
Don't struggle like that or I will only love you more  
For it's much too late to get away or turn on the light  
The Spiderman is having you for dinner tonight  
And I feel like I'm being eaten  
By a thousand million shivering furry holes  
And I know that in the morning I will wake up  
In the shivering cold  
And the Spiderman is always hungry
