

# Archy's Lullaby

## Willard Grant Conspiracy

Are you  
Watching over me  
In my three-hour sleep?If people were like bugs  
Then they would sleep like me  
With eyes open wide  
Kick off the sheetsGood night  
Good night  
Good night to no one  
Good night to no oneGood night to no one next to me  
Good night to no one next to me  
Good night  
Good night
