

# Sing It

Irma Thomas, Marcia Ball & Tracy Nelson

[Intro]

Woah-oh Woah-oh-oh-oh

Woah-oh Woah-oh-oh-oh

Woah-oh Woah-oh-oh-oh

Woah-oh Woah-oh-oh[Verse 1]

That familiar voice

It speaks to me

Tells me everything is gonna be ok

Its meant to, meant to be

Sun is out

And the darkness fades

Got my headphones on and Im under

In a dream but I'm wide awake

Woah-oh Woah-oh-oh-oh

[Chorus]

Turn it up, turn it up

Play it aloud

Sing it from my heart

Sing it from my heart, yeah, yeah, yeah, yeah

Its alright, its alright

We'll Be Alri-i-i-ight

Turn it up, turn it up

I feel ya now

Sing it from the heart

Sing it from the heart, yeah, yeah, yeah, yeah

Its alright, its alright

Be alright

[Verse 2]

On brighter days

You make me smile

When Ive got you here with me

I could walk a million, billion miles

Im dreaming again

So get outta my way

Life goes fast, so you gotta make it last

No matter what they say

Woah-oh Woah-oh-oh-oh

[Chorus]

Turn it up, turn it up

Play it aloud  
Sing it from my heart  
Sing it from my heart, yeah, yeah, yeah, yeah  
Its alright, its alright  
Alri-i-i-ight  
Turn it up, turn it up  
I feel you now  
Sing it from my heart  
Sing it from my heart, yeah, yeah, yeah, yeah  
Its alright, its alright  
Be alright  
[Ending]  
Live it up, live it up, live it up, yeah!  
Live it up, live it up, live it up, yeah!  
Live it up, live it up, live it up, yeah!
