Erased(Gothic Metal / Doom Metal)

Paradise Lost

I don't owe anything
I don't owe anyone
Shoot pride for all its worth
I don't belongIn a situation now
that I could not repair
I assert myself to sleep
Show others that i've cared
How cold is this poor life
Lay ashes at my graveIf it takes me away from you,
A subtle gestureI don't know anyone (cherish my religion)
I don't know anyone (faith is only fiction)
I don't know anyone (cherish my religion)
I don't know anyone (faith is only fiction)
