

# Jane (Wash Dc 6/12/02 9.30 Club)

## Ben Folds

Jane be Jane  
You're better that way  
Not when your trying  
Imitating something you think you saw Jane be Jane  
And if sometimes that might  
Drive them away  
Let them stay there  
You don't need them anyway You're worried there might not be  
Anything at all inside  
That you're worried  
Should tell you that's not right  
Don't try to see yourself  
The way that others do  
It's no use You're worried there might not be  
Anything at all inside  
But that you're worried  
Should tell you that's not right  
You've had it harder than anyone could know  
So hard to let it go But its your life  
You can decorate it  
As you like  
Beneath the pain and Armour  
In your eyes the truth still shines Jane be Jane  
Jane be Jane
