Soulmate

Chrisette Michele

Cry every night I do
Cry every night for you
Why'd you leave me out here with these wolves
I'm fragile
My side really needs you back
It's lonely without my half
Why you got me living out
These dreams without youMy half ain't whole
I'm just me without my soul
My me needs you
I'm just part of what makes one of two
I'm just one side without my right side
Lose my back bone without my right side
I'm just one half without my soul
One half without my soul
I'm incomplete without my baby
I'm just one part of me without what makes me
I'm just one half without my soul
One half without my soulYes I'm a big girl yeah,
Yes I can handle this
Nothing comes better than when
It's you and I
Tried it before I did
Forgive me because I dipped
Left you lonely one side
Only let me back inMy half ain't whole
Just me without my soul
My me needs you
I'm just part of what makes one of two
I'm just one side without my right side
Lose my backbone without my right side
I'm just one half without my soul
One half without my soul
I'm incomplete without my baby
I'm just part of me without what makes me
I'm just one half without my soul
One half without my soulGive me one time and I'll do better
But I won't go, we flow together
I cannot crave you like this anymore though

I cannot crave you like this anymoreGive me one time and I'll be cool
Mama won't go, she just needs you
I cannot crave you, I just cannot crave you
I cannot crave you like this anymoreMy half ain't whole
Just me without my soul
My me needs you
I'm just part of what makes one of two
I'm just one side without my right side
Lose my backbone without my right side
I'm just one half without my soul
One half without my soul
I'm incomplete without my baby
I'm just part of me without what makes me
I'm just one half without my soul
One half without my soul
I'm just one half without my soul
One half without my soulI'm just one side without my right side
