

Oppi fjellet

Storm

Eg hyrde vindsuset kalle meg
Oppi fjellet, oppi fjellet
Den tok meg vekk ifra folksom gard
Oppi fjellet, oppi fjellet
Og om dykk ikkje har hrt det fr
Eg blir i Norges land eg til eg dr
Oppi fjellet, oppi fjelletHer i vart rike er av vrt savn
Oppi fjellet, oppi fjellet
Kring masse skoger vi slr vrt favn
Oppi fjellet, oppi fjellet
Og er det nokon som ikkje ser
Kvifor vi allrid til mor Noreg ber
Oppi fjellet, oppi fjelletJa, bark og grastein det eter vi
Oppi fjellet, oppi fjellet
Vi skjems av blmenn, vi gar i hi
Oppi fjellet, oppi fjellet
Og friske elva den er for oss
Hvis du vil ha den s m du slss
Oppi fjellet, oppi fjellet
Oppi fjellet, oppi fjelletEn grusom dd venter hver en mann
Oppi fjellet, oppi fjellet
Som ikke hyller vart faderland
Oppi fjellet, oppi fjellet
Ja vi er norske og stolte av det
Det kristne kjter vil jo ikke se
Oppi fjellet, oppi fjelletN har vi sagt det vi ville si
Oppi fjellet, oppi fjellet
To norske brdre som alt vil gi
Oppi fjellet, oppi fjellet
Skogtroll varsler en grusom dd
Der Fenrisulven ulte samme gld
Oppi fjellet, oppi fjellet
Oppi fjellet, oppi fjelletKan dere se han? Kan dere se han?
Se den kristne kjter'n!
Deng ham opp! Deng ham opp!Og om du noengang lukter kristenmanns blod
Oppi fjellet

da hent ksa og... hugg dem ned!English translate: Up In The MountainsUp in the mountains, up in the mountains
It took me away from crowded village
Up in the mountains, up in the mountains

And if you haven't hear it before
I'll stay in Norway's land till I die
Up in the mountains, up in the mountains Here in our realm is all our longing
Up in the mountains, up in the mountains
We embrace the vast forests
Up in the mountains, up in the mountains
And is it someone who doesn't see
Why we always to mother Norway pray
Up in the mountains, up in the mountains Yes, rock and stones that's what we eat
Up in the mountains, up in the mountains
We are disgusted by blumen, we go to our lairs
Up in the mountains, up in the mountains
And the fresh stream it is for us
If you want it then you have to fight
Up in the mountains, up in the mountains
Up in the mountains, up in the mountains A cruel death awaits for each man
Up in the mountains, up in the mountains
Who doesn't hail our fatherland
Up in the mountains, up in the mountains
Yes we are norwegian and proud if it
The christian bastards won't see
Up in the mountains, up in the mountains Now we have said what we wanted to say
Up in the mountains, up in the mountains
For norwegian brothers who'll give all
Up in the mountains, up in the mountains
A forest-troll heralds a cruel death
Where the Fenris-wolf heard the same
Up in the mountains, up in the mountains
Up in the mountains, up in the mountains Can you see him? Can you see him?
See that christain bastard!
Beat him up! Beat him up! And if you ever smell christian blood
Up in the mountains
Then get your axe and... chop them down!
