

# Things Are Gonna Be Alright

## Acetone

You may try and try again  
Not to be unsatisfied  
Just squeezing by one more time  
But how long do you go on  
Believing things are gonna be alright? Not to decry the simple life  
But lately I've been getting tired  
Just getting by  
Biding my time Now I've always been so sure  
Someday, someday  
But how long do you go on  
Believing things are gonna be alright?  
(x2)
