

Rock Roll Skate

The Lonely Island

Y'all ready for this You're a motherfucking titty sucking two ball bitch
With a popcorn pussy and a full on dick I got a 40, dog! What you wanna do?

I got my dick hard, yeah we do too

I put a dick in your ear, cock in your minds

Sac-Town represent we came to drop bombs

Rolling with my brothers, pipe bomb shit

Smoking cotton candy with some rain drops in it

Sac-Town president two years straight

Check the yearbook, most likely to penetrate

Cops tryna get me, take me under with the stunner

Pigs you could suck my dick, so take a number

Rock, roll, skate

Eat a bag of shit

Rock, roll, skate

Eat a motherfucking dick

You're a motherfucking titty sucking two ball bitch

With a popcorn pussy and a full on dick

Style Boyz in the house and we gives a fuck

So whip out your nuts and shut the fuck up Calling all cars, be on the lookout for three intoxicated young men
wearing a Starter jacket, expensive jewelry, Girbaud jeans, and big dicks I'm on the boardwalk, cold eyes of a
cougar

Selling devil's rock with a hand on my luger

Kid Brain back to 80 with the ladies

Every fourth girl I mother crush like crazy

My penis, the h-o-t-ness

Girls give me so much brain and I'm a genius

This is that rock-roll music, that cock pole music

So get your face out of my face before I bruise it

Rock, roll, skate

Eat a bag of shit

Rock, roll, skate

Eat a motherfucking dick

You're a motherfucking titty sucking two ball bitch

With a popcorn pussy and a full on dick

Style Boyz in the house and we gives a fuck

So whip out your nuts and shut the fuck up
